

## Corporate & MBE Booths List

This list is for our August 6 “**No Pomp, No Circumstance, Strictly Business**” Expo.

Please note that this list is ***not*** the same as our Buyers List.

**All corporations will have decision-makers and supplier diversity professionals (procurement and sourcing managers) staffing their booths, so if you do not get a matchmaking session, you will still have the opportunity to present your company & marketing piece to corporate buyers at their booths**
